WHY YOU NEED INTERNATIONAL COVERAGE

Effective October 1, 2002

Each year, millions of people travel internationally throughout the world. While many of them may have medical coverage when traveling outside their Home Country, few will have the proper coverage for an emergency medical evacuation or personal liability. Liaison® Traveler is designed to offer emergency medical evacuation, repatriation of mortal remains, accidental death and dismemberment, and other incidental coverage and services for persons traveling outside their Home Country.

This brochure is a brief description of Liaison Traveler. A complete description is contained in the Program Summary, which will be mailed to you together with your ID Card after SRI receives your completed application and correct premium.

NOTE- This plan does not offer medical coverage. For a comprehensive international medical program, contact your agent or SRI for information.

ELIGIBILITY

Liaison Traveler provides coverage for persons traveling outside their Home Country. If you will be traveling outside of your Home Country, the program will provide coverage for you, your spouse, and your unmarried dependent children (over 14 days and under 19 years of age, or under 25 years of age if they are attending an accredited institution of higher learning on a full-time basis and wholly dependent upon the Insured for support and maintenance.)

Home Country (or Country of Residence) is defined as - The country where an eligible person(s) has his/her true, fixed and permanent home and principal establishment, and to which he/she has the intention of returning.

PERIOD OF COVERAGE

There are three coverage period options for Liaison Traveler, a three-month, a six-month, and a twelve-month coverage period. During the coverage period, the insured persons will be covered anytime they are outside their Home Country or Country of Residence (unlimited number of trips).

Effective Date - Your coverage will begin on the latest of the following:

1. The date your Application and premium are received by SRI; or
2. The date you request on the Application.

Expiration Date - Your coverage will end either Three, Six or Twelve months after the Effective Date (depending upon the coverage period chosen). If you choose, coverage can be easily rewritten.

Liaison Traveler has two different programs that can be purchased together or separately (the Standard Upgrade Options must be purchased along with the Standard Program) to address the various needs of the international traveler.

Personal Liability Program

The personal liability coverage is not available to residents of Oregon.

(This program may be added to the Standard Program or may be purchased separately. This benefit is only available to persons while traveling outside the United States.)

The Company will indemnify the Insured Person for legal liability to a third party up to a limit of \$100,000 arising while outside of the United States during a covered trip as a result of:

- a) accidental death or bodily injury to any person
- b) accidental loss of or damage to property of that person

The Company has the right to commence or takeover any legal proceeding to defend the Insured Person provided the Company chooses to do so and to take any action to recover any payment made under this policy. The Insured Person must cooperate with the Company to this end and do nothing to prejudice the Company's rights. The Insured Person must not make any offer or promise payment or admit fault to any other party, or become involved in any litigation without the Company's written approval.

Note: Only one Liaison Traveler Program may be purchased for any given policy period.

DESCRIPTION OF BENEFITS
